

Program Tuition

The tuition for the program is \$275 per month.

Upon enrollment in the program, families are asked to choose a payment schedule. You may pay your tuition "in-full" or in three installments throughout the school year.

During the enrollment/application period, there is a \$50 non-refundable deposit to hold a slot in the program upon acceptance into the program. You **DO NOT** pay a deposit if your child is placed on the waiting list. This deposit is not applicable to the full year's tuition.
